Re: 2011-2012 State Transit Assistance Allocation Revised Estimate

Pursuant to section 99312.7 of the Public Utilities Code (PUC), the State Controller is required to provide a revised estimate of the amount of the State Transit Assistance (STA) funds to be allocated to each transportation planning entity for the purposes of sections 99313 and 99314 of the PUC.

The estimated amount of STA funds budgeted, according to the Department of Finance, for the 2011-12 fiscal year is \$416,254,131. We anticipate that the first quarter's allocation will be paid in October.

PUC section 99313 allocations are based on the latest available annual population estimates from the Department of Finance. PUC section 99314 allocations are based primarily on qualifying revenues from the Annual Report of Financial Transactions of Transit Operators and Non-Transit Claimants under the Transportation Development Act.

Enclosed are schedules indicating the estimated fund allocation for the fiscal year 2011-12 to each transportation planning entity. We are providing a detailed schedule of STA funds allocated under the PUC section 99314. Since the detail for PUC section 99313 allocations is not reported to the Controller's Office, the SCO is only able to provide eligible amounts for each county for PUC section 99313.

Any questions you have regarding the STA program should be directed to Mike Silvera of the Division of Accounting and Reporting at (916) 323-0704.
